The landscape of work is changing, with some jobs evolving more rapidly than others. Recent studies suggest that soon we will only be as good as the skills we possess. The question then becomes: which skills are crucial, and how can we ensure that we stay ahead?

Join the upcoming webinar to be hosted by ANZIIF and UNAND to learn about the future skills needed for the insurance finance industry.

- Technological proficiency
- Customer centricity
- Regulatory and ethical acumen
- Adaptability and continuous learning
